

IQ Rx Conversation:

Agent gets \$1.50 **International Mail Order** prescription filled.

Agent gets \$1.00 **US Mail Order** prescription filled.

No commission for prescriptions filled at walk-in pharmacies, however, clients can use card at local pharmacy and their savings are at the 20–25% discount. Good for medications we do not carry. See pharmacy locator on website for participating pharmacies.

Our Prescription list includes the 600+ most prescribed maintenance medications.

There are some excluded medications:

Narcotics, liquid medications or antibiotics can not be purchased with this discount program due to FDA mailing regulations.

We have partnered with one of the worlds largest Mail Order Pharmacies; they pay us to pay you to sign up your clients.

When you sign up a client, they receive a call from our call center to help them order their medications.

Our call center makes initial info call and it is their job to make the reminder calls to renew prescriptions by the mail order. They also field all questions from clients about IQ Rx.

No online payment or ordering, all done via phone and fax. Clients pay for scripts via credit card or check by phone. There is no shipping/handling fee for US generated medications. There is a \$16.50 shipping/handling fee for total order generated from International.

IQ Rx works for Individual agents and Group agents. For groups of 100 or larger we can input clients for you from a group census form.

IQ Rx does work for Medicare part D. When a client orders a prescription generated from US mail order, the medication info is reported and claims will go thru the system.

The International mail order is still pending approval from CMS and will likely be approved by year end. IQ Rx is optimized by seniors who expect to max out the doughnut hole and be picked back up with Medicare part D.

There are No Monthly Fees, No Waiting Periods, No Deductibles, No Pre-Existing Exclusions, and Everyone Qualifies - with IQ Rx Free really does mean FREE!

We assign an Affiliate number for you as the agent. This is how we track who you sign up and when they order.

The process:
